

O God, Do Not Keep Silent

Album 22 Song 2

Song 2 Do Not Keep Silent, O God

Psalm 83 – Urgent cry for God not to be silent while many nations conspire to destroy Israel. Asaph asks God to judge them as He did in the past (Midian, Sisera, etc.) so that they may know He alone is the Most High.

O God, do not keep silent, do not hold Your peace
O God, do not be still, let Your eyes upon us increase

Rise up! Rise up!
The Warrior King is coming to judge the earth!

Your enemies lift their heads, Your foes rage and conspire
They plot against Your people with cunning schemes and fire

The Ammonites and Amalekites have joined their wicked band
Moabites, Edomites, Philistines rise hand in hand

O God, do not keep silent, do not hold Your peace
O God, do not be still, let Your eyes upon us increase
Rise up! Rise up!
The Warrior King is coming to judge the earth!

Do to them as You did to Midian, to Sisera and Jabin too
Make them like Oreb and Zeeb, like Zebah and Zalmunna too

Make them like whirling dust, like chaff before the wind
Burn them as fire consumes the forest, let Your flame their end

Pursue them with Your tempest, terrify them with Your storm
Cover their faces with shame so they may know You are the Lord

O God, do not keep silent, do not hold Your peace
O God, do not be still, let Your eyes upon us increase
Rise up! Rise up!
The Warrior King is coming to judge the earth!
