

God Arises in the Divine Assembly

Album 22 Song 1

Psalm 82–87: God's Justice & Glory

Song 1 God Rises in the Assembly

Psalm 82 – God stands in the divine council and judges the unjust "gods" (rulers) for partiality and oppression of the weak. He declares they will die like men. Call for God to arise and judge the earth.

God rises in the great assembly, among the gods He stands
He judges in the midst of heaven's hosts with righteous hands

He is coming! He is coming!
To judge the earth, the King is coming!

How long will you judge unjustly, showing favor to the wrong?
How long will you defend the wicked, let their evil prolong?

He is coming! He is coming!
To judge the earth, the King is coming!

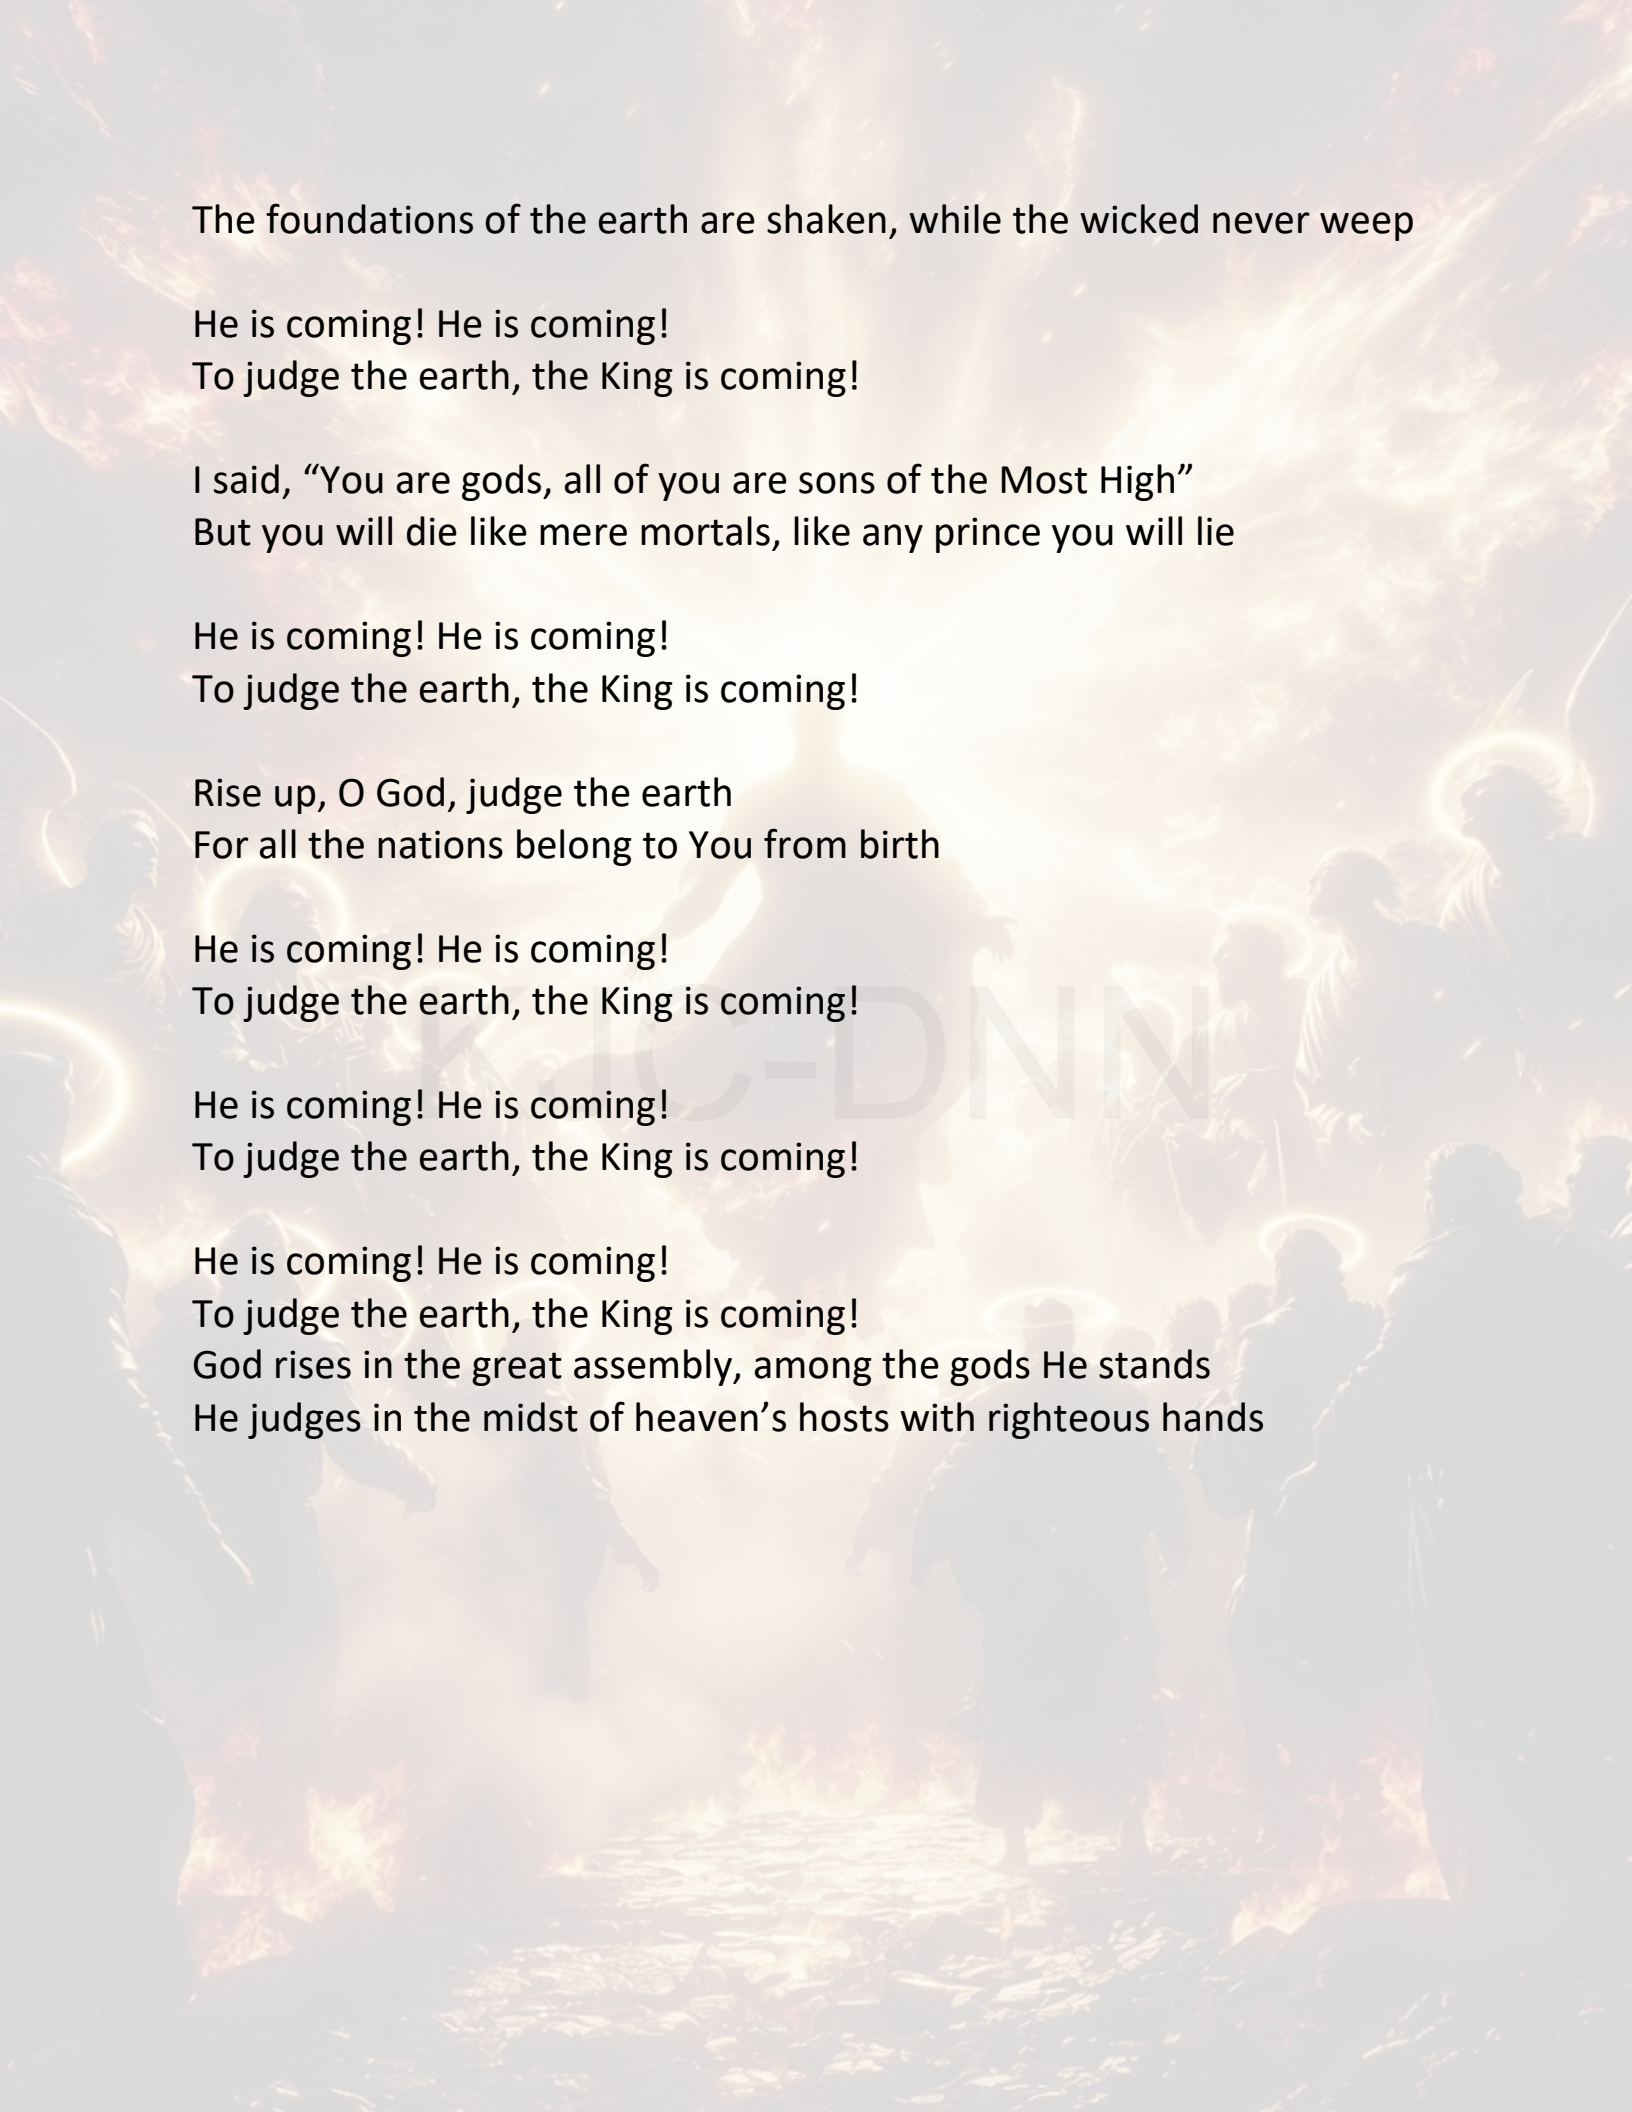

Defend the weak and fatherless, uphold the poor and low
Give justice to the oppressed, let righteousness overflow

He is coming! He is coming!
To judge the earth, the King is coming!

Rescue the weak and needy, deliver them from the strong
Save them from the wicked's hand, let justice be their song

He is coming! He is coming!
To judge the earth, the King is coming!
God rises in the great assembly, among the gods He stands
He judges in the midst of heaven's hosts with righteous hands

They know nothing, they understand nothing, they walk in darkness deep

The foundations of the earth are shaken, while the wicked never weep

He is coming! He is coming!
To judge the earth, the King is coming!

I said, "You are gods, all of you are sons of the Most High"
But you will die like mere mortals, like any prince you will lie

He is coming! He is coming!
To judge the earth, the King is coming!

Rise up, O God, judge the earth
For all the nations belong to You from birth

He is coming! He is coming!
To judge the earth, the King is coming!

He is coming! He is coming!
To judge the earth, the King is coming!

He is coming! He is coming!
To judge the earth, the King is coming!
God rises in the great assembly, among the gods He stands
He judges in the midst of heaven's hosts with righteous hands
